

# WATERCRESS BY ANDREA WANG SCAVENGER HUNT AT LAKEFRONT PARK

Visit Lakefront Park between 5/15-5/17 during open hours to complete the scavenger hunt using the Watercress Story Stroll.

## What is a Story Stroll?

Story Strolls are books you can read as you go on a short nature walk. Instead of pages, the book is placed on large boards, making it easier to read as you walk. While you read, you can search for the images below throughout the story. Didn't find an image? The answers are at the bottom of the scavenger hunt ticket.

As you read the story, look for the images below.
